

Outlets where section 4 vouchers can be used

This is a list of stores and restaurants where those who receive section 4 vouchers can use them to buy food and essential items such as toiletries. The list states what goods can be bought at each outlet.

There are sections for various regions of the United Kingdom. Within each region, the list is divided according to the name of the accommodation provider who supplies the vouchers to those receiving the section 4 support.

When supplying vouchers to those receiving section 4 support, each accommodation provider will also supply a list of outlets where they can be used in the area concerned.

Yorkshire and the Humber

This is a list of stores and restaurants where those who receive section 4 vouchers can use them to buy food and essential items such as toiletries. The list states what goods can be bought at each outlet.

The list is divided according to the name of the accommodation provider who supplies the vouchers. Each accommodation provider can also supply a list of outlets where the vouchers can be used in the area concerned.

Wales

This is a list of stores and restaurants where those who receive section 4 vouchers can use them to buy food and essential items such as toiletries. The list states what goods can be bought at each outlet.

The list is divided according to the name of the accommodation provider who supplies the vouchers. Each accommodation provider can also supply a list of outlets where the vouchers can be used in the area concerned.
